Chapter 135

News

Number Eight

August 2009

Presidents Position

by Dave Kalwishky

Plans are falling into place for our upcoming visit of the Ford Tri-Motor. The plane will be here from August 17th to the 23rd with rides being given August 20th – 23rd. Joel Severinghaus is the one to contact if you'd like to help, he can be reached at (515) 280-7904 or (866) 920-2316. We need help covering two shifts, 8:00am through 1:30pm and 1:00pm through 6:30pm on the days of the 20th through the 23rd. The duties will include loading & unloading of passengers, crowd control and assisting EAA personnel with ticket and merchandise sales. This in conjunction with the flight breakfast we are planning for the 23rd will be a fantastic opportunity to showcase Chapter 135 to the community and draw attention to our chapter.

Please let Joel know as soon as possible on the days you are able to help.

Upcoming Events:

- **September** - Vacuum Bagging - Roger Bocox (fiberglass part-making process)
- **October** - Winter issues - engine pre-heating and flying on skis, Craig Martin
- **November** - Open
