Chapter 135 News

Number Nine September 2009

### **Presidents Position**

by Dave Kalwishky

I want to the all of the people in Chapter 135 and friends of the chapter that came out to help with the Tri-Motor and breakfast. The event was an outstanding success and while the numbers are not all in yet I'll bet we made \$2000 for all of our hard work.

You'll note that the picture of the cake has the frosting in the color of the Tri-Motor and it has a corrugated look like the plane. That was Joel's idea and a pretty good (and tasty) one at that. The cake was there as the Tri-Motor turned 80 while it was here.

There was also a gentleman there that flew on A Tri-Motor in 1938 out of Webster City, he had some pictures and the original ticket. We met many people that flew on these planes when they were children and still remember the experience.

The best part of the week was probably the Monday that the plane left for Lincoln, NE. Several of us rode the plane over and drove back in a rental car. As we passed through Omaha we stopped and spent a few hours at the Offutt museum.

A special thanks to Joel & Ralph for herding all of the cats and keeping everyone working, their hard work really paid off for the chapter. Thanks guys!!!

## **Upcoming Events:**

- October Winter issues engine pre-heating and flying on skis, Craig Martin
- November Open

## **NEXT CHAPTER MEETING**

will be held

Saturday - September 12, 2009

**Program- Vacuum Bagging** (fiberglass part-making process)

by Roger Bocox

Exec 1 Aviation Ankeny, IA

**Chapter Garage**
