## Presidents Position

by Dave Kalwishky

Longtime member and Board member John Kennelley has resigned his position from the board. John has a lot going on these days and didn't feel comfortable with being able to make all of the board meetings and felt he should step down.

John tells me he'll still be around and will try and get to chapter meetings when he can.

I'd like to say thank you John on behalf of EAA Chapter 135 for all of your work over the life of this chapter. It's people like you that keep the chapter alive.

We have several great events coming up in May and June.

May 18th we have a Fly in to the Amana's for lunch which is being coordinated by our own Mary Alice Hill. This is open to anyone who would like to attend, not just 135 members.

June 1st the Marshalltown airport is having an open house and flight breakfast. Later in the day we have Iowa's first Pilot Paliooza event hosted at the Boone airport with Rod Machado as the guest speaker.

June 22nd there will be a flight breakfast and other events hosted by the city of Boone and C.Y. Aviation at the Boone airport.

Details are in the newsletter for all of these events.

## NEXT CHAPTER MEETING

# Arkansas RUS protection sparks interest in new airstrip

April 30, 2013 by General Aviation News Staff

Recreational Aviation Foundation Arkansas State Liaison Dave Myrick reports that after sending a copy of the RAF newsletter and website links to another Arkansas pilot, he received some exciting news.

“The phone call made my day,” Myrick said. “It was RAF member David Ellison of Bradford. He knew of our success with the Arkansas Recreational Use Statutes (RUS) amendment and decided to call me.”

Ellison had flown as an ag pilot for 16 years when he decided to turn his passion for aviation in another direction. He told Myrick that he plans to purchase 75 acres to build a 3,000-foot turf airstrip with a slightly shorter crosswind runway.

“He said that his membership and belief in the RAF closed the deal on his decision,” Myrick said.

One of his primary goals is to provide camping and recreation opportunities. The property is centrally located in the state for fly-ins with two airports with services 25-30 miles nearby.

The two discussed RUS protections, logistical issues, and private property rights in Arkansas. Ellison is considering registering with the FAA to be included on charts for better exposure.

“I always believed that the RUS amendments are the first step in a much larger long term plan. Stories like this reinforce our belief that it is all worth the work and effort,” Myrick said.

The Recreational Aviation Foundation is a non-profit 501(c)(3) charitable organization headquartered in Bozeman, Mont.

## **Amana, IA Fly-Out Saturday May 18th**

Step back in time and join your aviation friends for a fun Saturday outing to Amana, IA! On Saturday May 18th we'll fly to Amana to enjoy a group lunch and the sights of this historic town.

The Amana Colonies were founded in the mid-1800's by a group called Inspirationists. They left Germany for New York in search of religious freedom, and some members later moved to Iowa for its bountiful resources that supported their isolated communal lifestyle for many years. Amana is a National Historic Landmark and is steeped in tradition and crafts.

We'll meet at Exec One at IKV at 10:30 that morning, followed by a 40 minute flight to Amana. After landing at C11, a turf field right at the edge of town, we'll walk the short couple of blocks into Amana. We'll have a group lunch at 12:30 at the Colony Inn, a German family-style restaurant that promises we won't go away hungry! After lunch take your time to wander around town, check out the Museum of Amana History, or browse the numerous shops, with the flexibility to fly back to Des Moines whenever you like.

### **RSVP by May 11<sup>th</sup>**

To ensure we have enough space reserved at the restaurant please RSVP to EAA Chapter 135 member Mary Alice (M.A.) Hill by May 11th at [mapilot@hotmail.com](mailto:mapilot@hotmail.com). She will provide additional information to those who RSVP as the date gets closer.
